“It Shouldn’t Hurt to Be a Child”

.....

CARE House of Oakland County, is a leading resource in the prevention, intervention, and treatment of child abuse in Oakland County. The work we do is only possible with the generous support of people who believe “it shouldn’t hurt to be a child.”

Honoring Pat and Jerry Wagner

Pat and Jerry have worked together to support many charities throughout their married lives. After Pat retired from teaching in 2010, she has spent her days helping children, animals, and people fighting various forms of physical and mental illness. The Wagners continue to contribute to the many charities near and dear to their hearts. CARE House is a very special place because the happiness, well-being, and safety of children should be of the utmost importance to all Americans. Jerry's company, Flexible Plan Investments of Bloomfield Hills, actively fundraises for CARE House, proudly supporting the vital services provided to children in Oakland County.

**With your generous support as a
Corporate Sponsor, CARE Night Gala will
give thousands of children the opportunity
to reclaim their lives from abuse.**

CARE Night Gala generates critical support for programs and services in prevention, intervention, and treatment of child abuse. On Saturday October 13, 2018 at the Townsend Hotel every dollar we raise will help change the lives of children and families in our community for a lifetime. The evening includes dinner and drinks, live auction, entertainment and an inspirational program of help for children and hope for a future free of child abuse. We have a number of sponsorship options to fit your company’s charitable strategy and support level.

Why Sponsor CARE Night Gala?

Because Child Abuse is an Epidemic

1 in 10 children will be sexually abused before the age of 18. This equals 27,000 children in Oakland County alone, 3 kids in an average size classroom. It is very likely a child you know has been or is being abused and we need your help to put a stop to this terrible injustice.
